

Creating Nutrition API account

The image shows two screenshots of the RapidAPI website during the account creation process.

Top Screenshot: Sign Up Form

The browser address bar shows the URL: `rapidapi.com/auth/sign-up?referral=/spoonacular/api/recipe-food-nutrition/`.

The sign-up form includes the following fields and elements:

- Sign up with Facebook** button.
- OR** separator.
- Username** field: `harish23`
- Email** field: `harishivabalan327@gmail.com`
- Password** field: `*****` (indicated as **Strong**)
- I'm not a robot** checkbox with a reCAPTCHA image.
- Sign Up** button.
- Already on RapidAPI? Log in** link.

The right sidebar contains the text: **Find and Connect to Thousands of APIs**, followed by a list of features:

- Discover APIs
- Test from your browser
- Connect using code snippets
- Manage APIs from one dashboard

Bottom Screenshot: Email Verification

The browser address bar shows the URL: `rapidapi.com/auth/sign-up-verification`.

The verification page displays:

- A success message: **The code has been sent successfully**.
- Verify your email address to continue** heading.
- Text: **We've sent a 6-digit verification code to navojith3143@gmail.com. It will expire shortly, so please enter the code below to continue.**
- A 6-digit input field.
- Didn't get the email? Resend email** link.

Creating Nutrition API account

The image shows a two-part process for creating a Nutrition API account on RapidAPI.

Top Screenshot: Welcome Screen

The browser address bar shows `rapidapi.com/auth/extra-info`. The page has a "Welcome!" heading and a sub-header "Finish setting up your profile so we can better tailor your experience." There are two input fields: "Full Name" with the value "navojith" and "Organization Name" with the value "ibm". A checkbox labeled "We need an organization account. Learn more" is checked. A blue "Done" button is at the bottom.

Bottom Screenshot: Organization Dashboard

The browser address bar shows `rapidapi.com/org/6857593/users`. The page title is "RapidAPI Organization Dashboard". The left sidebar lists navigation options: "Manage Teammates", "Manage Teams", "Bulk API Import", "Organization Homepage", "Subscriptions & Usage", "Transactions", "Subscribed APIs", "Published APIs", "Org Subscription", "Approvals", "Inbox", "Organization Settings", and "Audit Trails".

The main content area has a top navigation bar with "Create Organization", "API Hub", "My Apps", "Add your API", and "Docs". Below this is a light blue banner with the text "Let's get your organization up and running with a few key tasks" and four radio buttons: "Add teammates to your organization", "Add your APIs", "Add external APIs", and "Customize your Organization Homepage". A progress bar below the banner shows "0%".

Below the banner are three sections:

- Add New Teammates**: Includes a search box "Search by Username or email", a dropdown menu set to "Developer", a "Select teams" button, and an "Invite User" button.
- Bulk Teammate Import**: Includes buttons for "Import from Github", "Import from CSV", and "Download CSV Template". A message states: "A credit card is required for this feature. Update in Billing & Payment Settings."
- Manage Teammates**: Includes a search box "Search by Username, name or email" and a table with columns: "Email Address", "Username", "Name", "# Of Teams", and "Role". The table is currently empty.

The bottom of the dashboard shows a system tray with weather (26°C Cloudy), taskbar icons, and system status (ENG IN, 19:54, 14-11-2022).
